CONSENT: I consent to participating in club activities. I understand that gymnastics, like all sports and activities carries an inherent risk of injury. I understand that every endeavour will be made to contact me prior to any medical attention being given. Where it is not practical to contact me, I authorise a representative of Manly Warringah Gymnastics Club to seek medical intervention (including treatment, emergency transport, hospitalisation, anaesthesia and medication) in the event of any accident, mishap or illness whenever my child is in the care of the club. I understand that these services will be sought at my expense and as deemed necessary and/or appropriate by a representative of Manly Warringah Gymnastics Club.

I have read and understood the 2009 Members Handbook and agree to abide by the policies and rules contained or referred to therein.

I understand that representatives of the club may from time to time take video or still images of the gymnasts for training, educational, administrative or promotional purposes. I consent to the use of these images, on the understanding that images used outside the club premises or in any public media or websites require my prior approval.
