

CHILD PROTECTION POLICY

Manly Warringah Gymnastic Club "Child-safe / Child-friendly Policy".

At MWGC we want our children and young people members who participate in our programs to have a happy and safe experience.

In order to do this we support and respect our children, young people, staff, volunteers and students.

Our policy guides our staff, volunteers and students on how to behave with children in our organisation.

The policy focuses on how we can promote further participation in activities hosted by our organisation and make it a safe environment for them.

Manly Warringah Gymnastic Club supports the active participation of children in our organisation.

We listen to visitors' views & feedback, respect what they say and involve them where we can in making decisions, especially about matters that will affect them directly.

1. We promote respect, fairness and consideration for all staff, volunteers and students.
2. All staff, volunteers and students have a more senior officer assigned to support and supervise their work.
3. All new staff, volunteers and students will receive a copy of the "Child-safe / Child-friendly Policy".

Manly Warringah Gymnastics has a detailed policy and procedure schedule.

This is a blanket policy that refers to and relies upon all the MWGC policies and procedures.

We have policies for general behaviour for members, parents, staff and many other protective procedures. All staff and members have full access to all these documents via the MWGC Website

www.mwgymclub.com

It is expected that all staff and visitors are familiarise themselves with the club's rules, regulations, policies and procedures prior to attending activities.

By entering the premises or engaging in MWGC's activities all persons agree to abide by the terms, conditions and limitations.

All staff must have a “NSW Working with Children Check”.

Any complaint is to be referred to management and the correct complaint management documentation issued.

Every coordinator at MWGC is considered a Child Safety Contact Person and will manage all complaints.

As a part of our professional development we provide ongoing education and support to all staff and volunteers.

We provide induction sessions for all new staff, volunteers and students.

Kids and parents joining our program/s have access to copies of the “Policies”, “Codes of Conduct” and “Dealing with Complaints” procedures via the Website.

The policy and guidelines will be reviewed every two years and incorporate amendments brought about by comments and suggestions from children and young people, parents and staff.
