

MWGC NUT and FOOD NOTICE

Notice and Policy for all Members and Visitors

MWGC promotes and supports a healthy and safe environment for all participants.

As part of our responsibility we advise and request that parents and visitors do not bring nuts or similar foods into the premises. We ask members and visitors to communicate with us in regard to any risks that may arise from any activity we provide or issues that may occur from the surrounding environment.

Please note that MWGC cannot guarantee a nut free environment.

What is Anaphylaxis?

Anaphylaxis is a serious allergic reaction that is rapid in onset and may cause death. It typically causes a number of symptoms including an itchy rash, throat swelling, and low blood pressure. Common causes include insect bites and stings, foods, and medications.

If there is any doubt in regard to the risk of anaphylactic reaction we ask that you notify MWGC staff upon arrival. Our staff and coaches are First Aid qualified but do not have specialized training for such occurrences.

A copy of the MWGC MEDICATION POLICY and the permission form for MEDICINES PERMISSION FORM are both available at reception or on our website www.mwgymclub.com policies section.

We thank you for your understanding.
