

New Centre of Excellence 2025

# SPONSORSHIP & DONOR PROGRAM

Building the Dream, Building the Future

## MESSAGE FROM THE CEO

Manly Warringah is home to a vibrant community, offering residents a healthy, active lifestyle, and boasting a history rich in sporting achievement.

Community owned and Not for Profit Manly Warringah Gymnastic Club (MWGC) is at the very heart of this community. Since starting in 1978 with just 6 members, MWGC has gone from strength to strength to now be recognised as the No1 Women's and Men's Gymnastics Club in Australia.

Boasting a membership of more than 1,500 members from 50+ postcodes, the club delivers more than 200 recreational and competitive classes each week.

Multiple time winner of Club of the Year titles and 2023 Women's and Men's National Champion Club, MWGC is renowned as a leader in gymnastics. With 10 athletes currently training at world levels, the Northern Beaches has a strong chance of soon seeing one of its own gymnasts in an Olympic or Commonwealth Games medal position.

### **We invite you to join us on our most ambitious transformation yet!**

By becoming a donor or sponsor of this project, your support will be clearly displayed on our wall of recognition to be seen by more than 300,000 visitors each year. As the facility is located on a main road and in a prominent position, securing naming rights would open an opportunity to be seen by more 28,000 passing cars each day.

We have lodged our plans to build the \$10.3m Centre of Excellence (COE). Work will begin in February 2024 and the new club will be operational in April 2025. It will really put the Northern Beaches on the map for sporting excellence! The 3,750 m2 world class state-of-the art gymnastics and multi-sport facility will deliver programs 15 hours each day – 7 days a week, including publicly accessible sports medicine and rehabilitation, strength and conditioning recreational and elite opportunities for all athletes engaged in sports with an aerial component. It will also be home to competition events, coaching education, community social activities and a great café linking to the District Park sports fields.

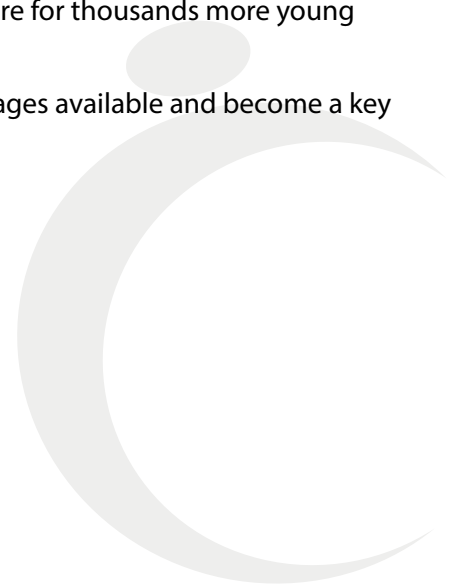

With 60% of the funding already secured, we need your help to fund the remaining \$4.3m.

With your generous support, we can create a world-class facility that benefits the community and future generations. Join us on this journey to build the dream, and build a bright future for thousands more young people.

Please take the time to review the extensive range of sponsor and donor packages available and become a key player in this exciting community opportunity.

Ian Hardy

CEO MWGC

*Help us build a world class state-of-the-art Gymnastic and Multi-sport Centre of Excellence on the Northern Beaches.*

# COMMUNITY BENEFITS

## Sport for all the community

Six months to senior, our classes include Kindy gym, Recreational, Free G and Tricking, Disability classes, Adult classes, Tumbling, Trampoline and Elite level gymnastics.

## Social and community building

Events including display days and social nights build friendships.

## Development of future champions

Providing a pathway for local children to succeed and become the future champions in the State and deliver more international competitive gymnasts.

## Employment opportunities

Our team of 60 staff includes senior and junior coaches, and admin staff. The new club is expected to employ 100 staff bringing more opportunities in the local area.

## Career paths opportunities

Coaching development and training for gymnasts and trainee coaches. Education hub for sport coaching and safe places for children to study whilst not training.

## Support for all sports

Via an on-site sports medicine practice we'll be offering physiotherapy and rehabilitation services. On-site café with outside seating in landscaped grounds will serve fresh, healthy options to our members and the local community providing a relaxing hub for people to meet.

## Boost to local business

Rejuvenation of the area and ability to host State and National competitions will bring 300,000 visitors and tourism revenue through accommodation, restaurants and cafes.

## Sport partner to schools

The number of schools we work with is continually growing; we provide gymnastics classes at the Club, or at the school, whichever works best for each school.

## Sustainable future

First eco-friendly sporting facility of its kind in Australia. Self-sufficient and sustainable utilising 3,000m<sup>2</sup> of solar panels to power the gym. The design includes bio recycled materials, EV charging and a battery that will deliver energy back to the community.

We are going for Gold!

*We aim to raise the benchmark even higher, setting the standard for others to follow.*

## Tax deductible corporate sponsorships

Supporting the new Manly Warringah Gymnastic Club Centre of Excellence offers opportunities for corporates, philanthropists, local businesses, and individuals alike to invest in the future of sport and the community.

The Club already enjoys an excellent national reputation and your financial support will help raise the bar even higher, setting the standard for others to follow.

We offer a range of sponsorship packages designed to successfully promote your brand to our entire membership and extensive network of affiliated clubs and organisations.

Packages can also be individually tailored to suit your specific requirements.
